

**DOREEN TILMOUTH
NINTIRINGTJAKU PROFILE**

I was born at Yuelamu and went to school here and Yuendumu. I worked at Yuendumu Pre-school for a long time helping kids and helping the teachers.

When I came back to Mt Allan, I worked at the Crèche and the Women's Centre. I worked at the store stacking shelves and using the cash register and looking after the customers.

I now work back at the Women's Centre. I look after the old people and pensioners at the Women's Centre. I drive the bus for the old people and take their lunches to them.

Yuelamu (Mt Allan) is a good place to live. It is a small community. I have 3 children – all grown up now and still living in Yuelamu.
