

NINTIRINGTJAKU PROFILE
NANCY TILMOUTH
ENGAWALA COMMUNITY

I was born at Alcoota Station. I am the oldest in a big family. We travelled around to visit family and country. I went to school at Alcoota Station. I was really keen to learn. After that I went Alice Springs. I lived at Mission Block and I went to Traeger Park school in 1987. I went to Alice Springs High School up to year 12. I started working as a cleaner at Engawala Community. Then I worked as a health worker at Engawala. I did the training at Batchelor College. This was in 1991. I worked as Health worker for a long time, but I've finished that work now. I speak Arrernte and English. I have been learning to read and write a little bit better for Anmatjere Council. I am a Waltja Management Committee member and I have been a Waltja Executive member. I worked with Waltja workshops and training. I am happy to help with other training at Engawala.
