## Waltja Reconnect Program

Australian Government  
Department of Social Services

## What is Reconnect program?

*Reconnect is program aimed at helping young people who are homeless or 'at risk' to engage with family, community, employment, education and training.*

### **We can Provide support if:**

*You are aged between 12 & 18 years of age*

*You are aboriginal*

*You are from Mt Liebig, Papunya, Santa Teresa or Titjikala*

**WE CAN HELP**

## Services provided to young people and their families by Reconnect workers are:

- Individual and personal support, someone to talk to when you have worries need help or are feeling sad
- Help finding some where to live
- Help getting things like Centerlink, Drivers Licence, ID and Birth Certificates
- Helping accessing training and Employment
- Help with schooling
- Group work, special projects and cultural activities for young people
- Support while you are dealing with police, court and other services
- Transport for young people back to community
- Help with family issues
- Emergency relief for young people

## Are you a young person with problems like:

*Nowhere to live?*

*Taking Drugs?*

*Feeling sad and no Good?*

*Trouble with Money?*

*Cant Find Work?*

*Don't like school?*

*Fighting with family?*

*Drinking grog?*

*Pregnant?*

*Sexual health issues?*

**Even if you have any questions and just want to talk you can contact the reconnect team at Waltja**
